WIREFRAMES MOBILE

Enregistrement structure

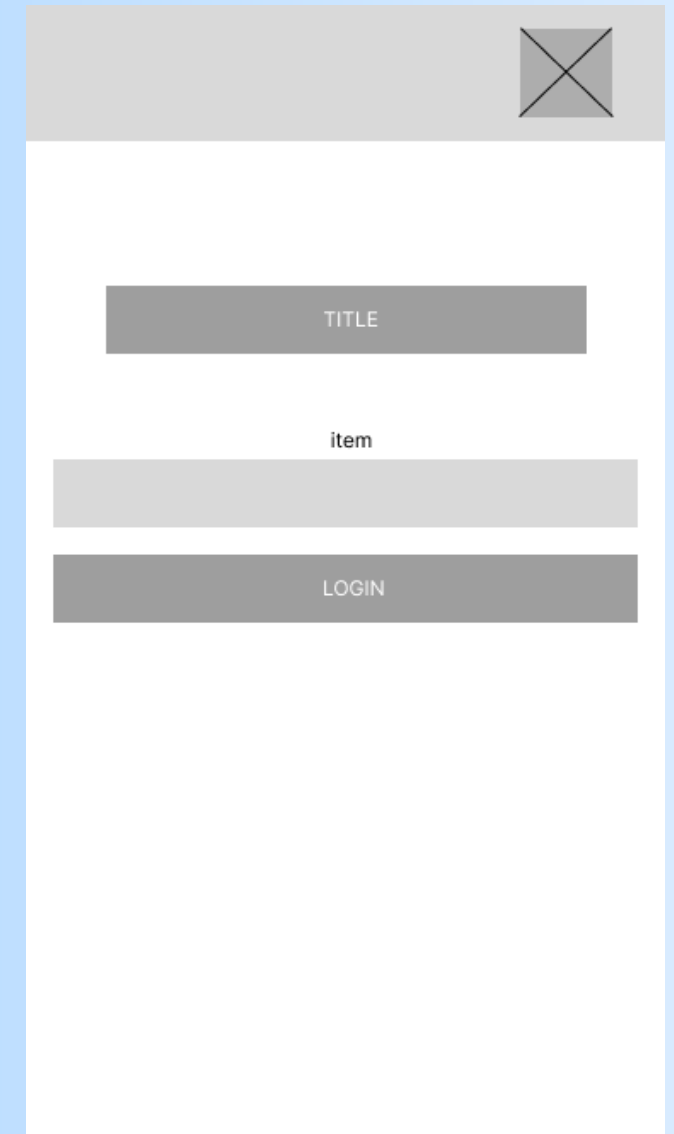

Wireframe for the 'Enregistrement structure' screen. It features a header bar with a 'BRAND' label, a placeholder icon, and a hamburger menu icon. The main content area consists of a title bar, followed by a list of items. Each item is represented by a light gray rectangular box with the label 'item' centered below it. There are seven such items in total.

Connexion

Wireframe for the 'Connexion' screen. It features a header bar with a placeholder icon. The main content area consists of a title bar, followed by a list of items. The items are represented by light gray rectangular boxes with labels 'item', 'item', and 'item' centered below them. At the bottom, there are two dark gray rectangular buttons labeled 'LOGIN' and 'FORGOT PASSWORD'.

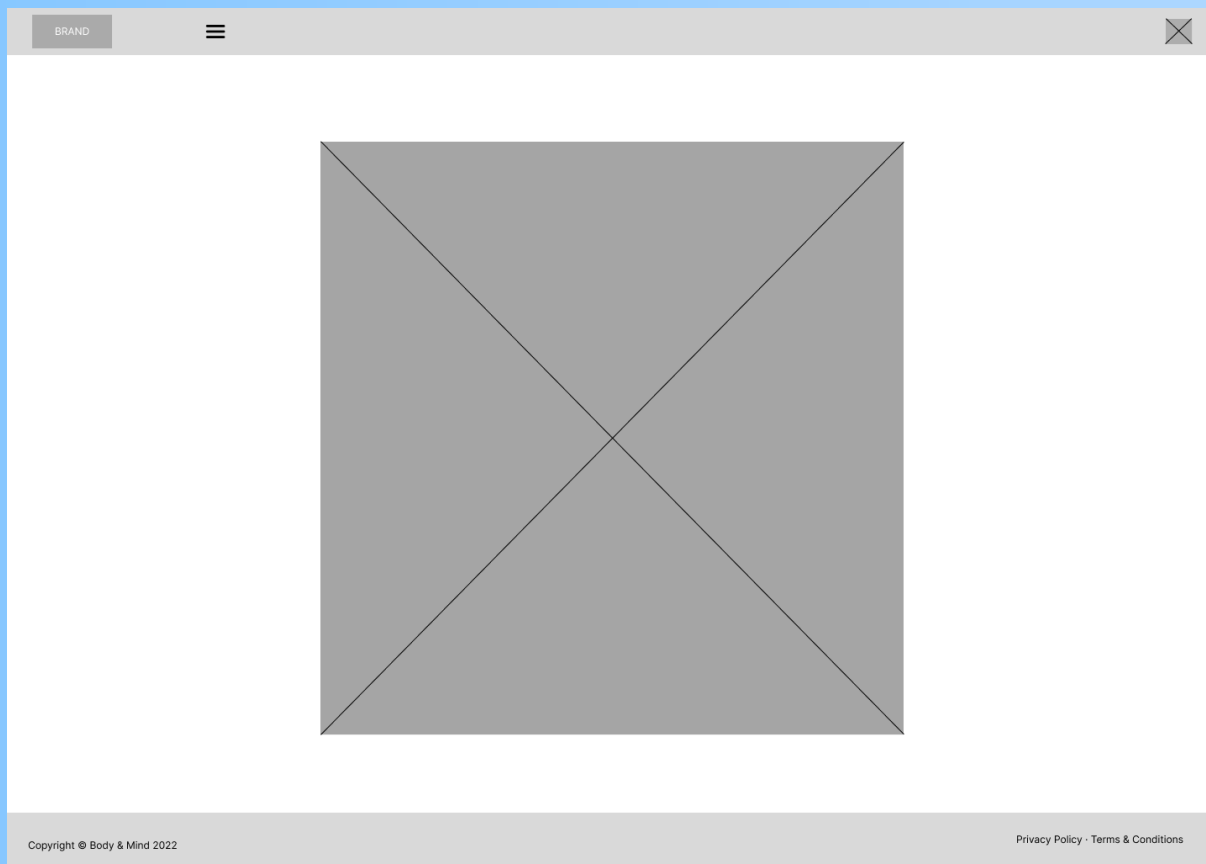

Initialisation du mot de passe

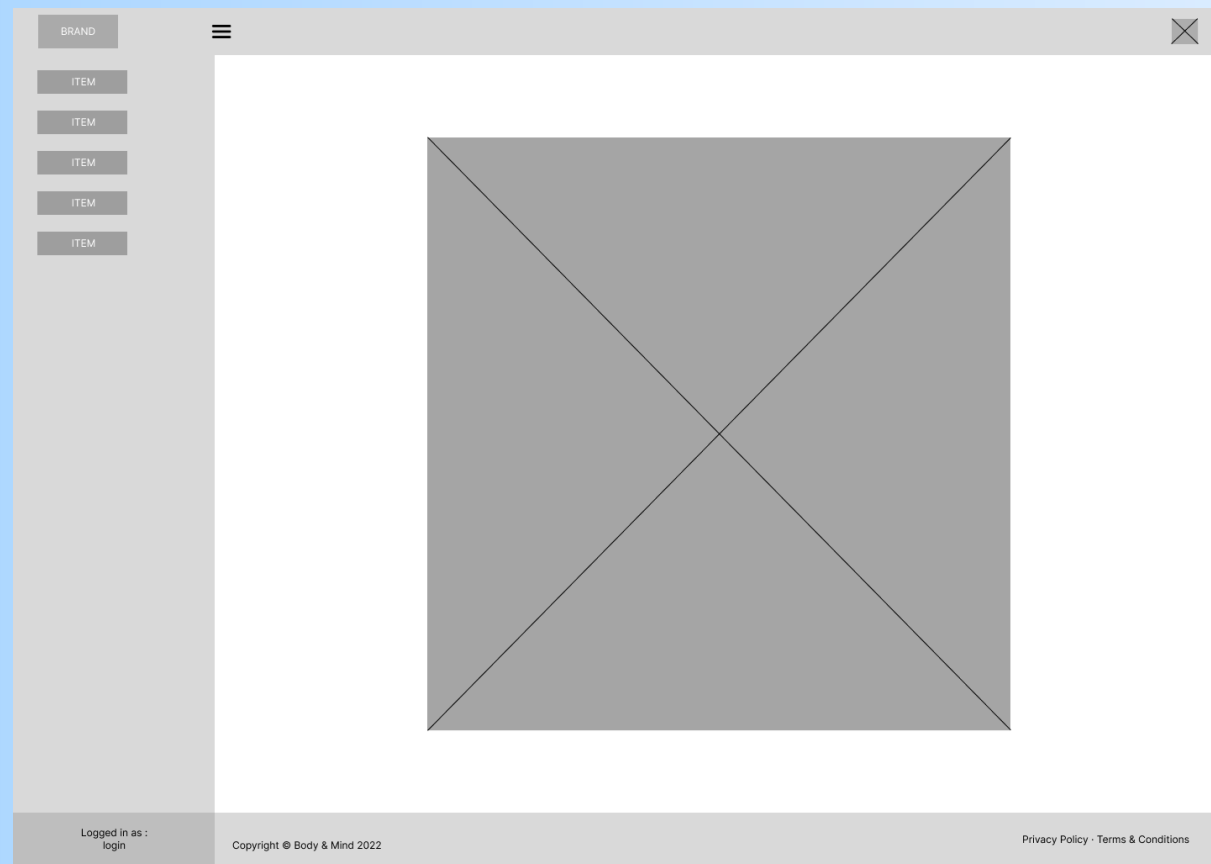

Wireframe for the 'Initialisation du mot de passe' screen. It features a header bar with a placeholder icon. The main content area consists of a title bar, followed by a list of items. The items are represented by light gray rectangular boxes with labels 'item' and 'item' centered below them. At the bottom, there is a dark gray rectangular button labeled 'LOGIN'.

MOCKUP MOBILE

Connexion

A mobile app login screen mockup. At the top is a dark header bar with a user icon and a dropdown arrow. Below the header, the title 'SE CONNECTER' is centered. The main content area contains a white login form with a shadow. The form has two input fields: 'Email' and 'Mot de passe'. Below the 'Mot de passe' field are two buttons: a blue 'Se connecter' button and a yellow 'Réinitialiser mot de passe' button.
